SUPPLEMENT TO REPORT NO.

- Location: The Kalibr Zavod is located about 1.8 miles west of the CHELYABINSK (61°24' E/55°10N) passenger railroad station.
- 2. Plant installations: The plant is a completely new installation, the construction of which was not completed in September 1948, at this time only the framework of a multi-story building, the boiler house, and the mess hall were completed. Two workshops were under construction. (For plant layout, see Annex.)

Comment:

- a. The report confirmed the construction and layout of a new plant for measuring equipment as previously reported. The new factory is a sister plant to one located in the center of CHELYABINSK.
- b. A more illustrative sketch of the plant location was attached to the previous report. For the lack of town plans, the pin-point location cannot be given.
